

LEXINGTON
SILVERSMITH
JILL O'REILLY

"My work tends to the classic and geometric, but touches of whimsy creep in. I enjoy every aspect of my craft from the mental energy spent designing to the physical energy of the actual production. I hope you will enjoy wearing my work as much as I enjoy making it."

"The texture and patina of the stone walls around Lexington are a constant source of inspiration for my work."

Limited Edition Sterling Silver Cuff (left), \$500. Sterling Silver Bracelet (right), \$250.
